

TALISMAN

1980

The first part of the paper discusses the importance of maintaining accurate records of all transactions. It is essential for the business to have a clear and concise record of all income and expenses. This will help in the preparation of the tax return and in the event of an audit. The second part of the paper discusses the importance of keeping up to date with the latest tax laws and regulations. It is important to consult with a tax professional to ensure that the business is in compliance with all applicable laws. The third part of the paper discusses the importance of maintaining proper documentation for all transactions. This includes keeping receipts, invoices, and other documents that support the business's financial records. The fourth part of the paper discusses the importance of having a clear understanding of the business's financial position. This includes knowing the current balance of the business's bank accounts, the amount of cash on hand, and the amount of debt. The fifth part of the paper discusses the importance of having a clear understanding of the business's tax obligations. This includes knowing the amount of taxes that must be paid and the deadlines for payment. The sixth part of the paper discusses the importance of having a clear understanding of the business's financial goals. This includes knowing the amount of profit that the business wants to achieve and the amount of investment that is needed to achieve those goals. The seventh part of the paper discusses the importance of having a clear understanding of the business's financial risks. This includes knowing the potential for loss and the steps that can be taken to minimize that risk. The eighth part of the paper discusses the importance of having a clear understanding of the business's financial opportunities. This includes knowing the potential for growth and the steps that can be taken to maximize that opportunity. The ninth part of the paper discusses the importance of having a clear understanding of the business's financial responsibilities. This includes knowing the obligations of the business to its creditors and to its shareholders. The tenth part of the paper discusses the importance of having a clear understanding of the business's financial future. This includes knowing the potential for success and the steps that can be taken to ensure that success.

IN REMEMBRANCE

DAVID RUCKER

CLASS of 1980

DECEMBER, 1979

Now it's time to leave Taft High School. We leave the homecomings, proms, pep assemblies, and homework. But we take with us the important education, maturity, and experience these past three years have instilled in us.

I hope that when you look back on these pages, ten or twenty years from 1980, you will remember the good and the bad—but mostly remember the spirit of our age.

Todd J. McAnulty

SENIOR YEAR

The last day in high school, in your senior year, is the saddest day you'll ever experience. You will be going one way and your friends will be going another. The senior class will gather around each other to say their last words. They will talk about the way it used to be and how they never imagined this day would really come. Now the day has come indeed, the girls are crying, the boys are holding their loved ones in their arms. Then they will play the class song, a sad song so that everyone there will remember that day for a life time.

When the final bell rings, to let out for the summer, the juniors and the sophomores will return next year, but the senior class will be no more. They will go out into the big world and try to handle anything that comes along. They might meet occasionally and talk about the old times, but when they walk away they will be thinking about that senior year.

The primary objective for the 1979-80 football team is to establish a sound footing for the future. We intend to do this by playing an expanded Jr-Soph schedule and teaching sound football at the varsity level. This year's seniors can do a lot for Taft football by establishing a sound, confident attitude about themselves and winning.

The Taft volleyball season has come to an end. We have gone from last place to second place in the G.M.C. We defeated Garfield twice, and we defeated Middletown, Fairfield, and Princeton; we were the only team to defeat Princeton in the G.M.C. We were a young team with one senior, capt. Marcia Beer, leading us onto the court. One senior, six juniors, and five sophomores made up the varsity team. The reserve team also ended a successful season by winning six matches under Coach Charlie Pater. Coach Pater and I have enjoyed working with this fine group of young ladies and the volleyball program here at Taft, we are on an up, "bump, set, and spike!"

Varsity Basketball

"Second bananas" sez' who? In its twenty-one year history, Taft students have not seen a group of Taft basketball players come from a more ignominious and unimpressive start and battle back to a G.M.C. League Championship with a greater sense of achievement than the 1979-80 Taft Tigers. From "second bananas" to GOLDEN "first bananas" is the REAL MARK that will be left by the "Basketball Tigers" of this year. Seniors BRIAN BARLOW (Charlie Hustle) gave us leadership, GREG SPURLOCK (I felt it, coach) gave us heart, DUANE JONES (two hands) gave us the big game effort, CRAIG MICHAEL (Super sub) gave us the big "E" and shook his injury pinx, DOUG HALL (Indian killer) did all we asked when we needed him most, and TOM ADAMS (Mr. Consistency) will never forget the time out sign that motivated for the winning shot against the Garfield Griffins.

Whatever the situation is in the Hamilton City School reorganization, a number of Taft players have had valuable experience at the sophomore, reserve, and varsity levels. We wish them well and hope that all of us can remember the last fine victory against the Middletown Middies. Returning players who, if they work in the off season, give us hope for another good season next year are James McCluskey, Dean Curtis, Rodney Jones, Arthur Green, Don Baker, Tom Murphy, Harold Parsons, and Wes Reed. It may be over used and trite, but it is true—the senior basketball "tigers" came a long way to get where they got to today, fans, and are to be complimented on one big, fine effort in 1979-80.

NOTICE TO THE READER:

Now that you have finished this year's TALISMAN, please read the advertisements. These businesses have given their time and money to sponsor YOU, the student; therefore, you should support these businesses. It is the money made from this section that keeps the price of the yearbooks down. So, the next time you stop at one of the area businesses which advertises in this book, please tell them you saw their ad in the Taft TALISMAN; thank them for supporting TAFT.

Thank-you
